RECAPTURE ESCAPED MURDERER

GUARD ARRESTED AS PLOT ACCOMPLICE; PRISONER IS SHOT

Leonard Whitfield Is
Wounded Resisting
Capture

COLUMBUS, O., March 10.—Leonard L. Whitfield, 37, Cleveland, O., who escaped from Ohio Penitentiary where he was serving a life sentence for the murder of Dennis Griffin, a Cleveland policeman, at 2 a. m. today, was recaptured this morning at the home of Oren Hill, a penitentiary guard, in this city, who is alleged to have concealed the prisoner after aiding him to escape.

Whitfield escaped from a dormitory where 250 woolen mill workers were under guard of three men, and after changing his prison clothes for civilian garb, made a rope ladder of his bed clothes, and dropped over the penitentiary walls.

Hill, said to be a new guard and who has been on night duty inside the dormitory for the last five or six weeks, is said to have seen the man change his clothes.

The guard was seen by Warden Thomas to take a bundle into the penitentiary last night and becoming suspicious after the escape of Whitfield, sent his secretary, Daniel Bonzo, and a city detective to Hill's home.

The officers were met at the door by Hill's wife, who admitted there was a strange man in an upstairs room.

Breaking into a room, the officers discovered Whitfield in civilian clothes. He flourished a butcher knife but raised his hands above his head apparently in token of surrender as the officers entered.

As the fugitive suddenly lowered the hand in which the knife was held, both officers emptied their revolvers into his body. One bullet entered through the side and another penetrated the abdomen.

He was being operated on today and although still alive early this afternoon, is not expected to live.

Hill is being held at the city police station. He will be charged with aiding and abetting a prisoner to escape. Under the state law, if Hill is found guilty, he will be subject to the maximum of the sentence given the prisoner he aided in escaping, which in this case is life imprisonment.

Whitfield's escape was not discovered until after 6 a. m. today, after the night guards had reported off duty. The discovery was made when one of the turret guards noticed the rope ladder dangling from the outside of the fall.

Whitfield entered the penitentiary August 9, 1923, after a search that extended over five states. He killed Griffin while the latter was taking him to jail after arresting him on a theft charge.

MANY WILL ATTEND
WANAMAKER RITES

PHILADELPHIA, March 10.—A father and his two sons were burned to death and a third son was injured seriously when fire swept their South Philadelphia home today.

"Prophet" Lags In "Bunion Derby"

WITH LOS ANGELES-NEW YORK RACERS, BAGDAD, Cal., March 10.—"Prophet" Jonas Israel, who styles himself the "Lord's entry" in the C. C. Pyle coast-to-coast marathon, fell behind the runners for a time, but will catch up with them again and again, and finally come into glory in New York.

"Brother John," as Israel has named himself, hale, hearty and 52 years old, has added to his sack cloth raiment a pair of arctics for his ordinarily bare feet for protection against blistering sands.

"I have taken neither food nor drink since Wednesday night," Israel said this morning. "And I will continue my fast until nightfall Saturday. Tourists tossed nine dollars to me from their cars as they passed me on Wednesday. On Thursday all I got from passing tourists was ninety cents. I ask no alms, but never spurn a gift.

equally distorted as mine."

Israel is but one of a number of eccentric characters in the Pyle race. Nobody takes them seriously, most of them being added starters and it is no surprise when they gradually drop out of the running.

As the correspondent turned to leave Israel, the self-styled prophet called after him:

"Take the well wishes of the prophet with you, brother."

The "prophet" then raised an ordinary fish horn to his lips and blew a sharp blast that floated out clear and startling across the arid plain.

MARY ASTOR, one of the prettiest girls in motion pictures, becomes the bride of Kenneth Hawks, film supervisor, at the home of Mary's parents, Mr. and Mrs. Otto Langhanke, in Los Angeles. The couple are now on a honeymoon trip to New York, Florida and Cuba.

FATHER AND TWO SONS BURNED FATALLY; THIRD SON INJURED

PHILADELPHIA, March 10.—A vatore, 11, and Angelo, 7. Harry, 14, a third son jumped to the ground when the flames trapped him in a rear bedroom on the second floor. He was taken to a hospital suffering from burns and injuries sustained in the leap.

A defective flue is believed to have started the blaze.

POLICE CAPTURE THREE TRYING TO ROB FILLING STATION HERE

Recover Auto Stolen From Arthur Neatherton Few Minutes Before—Second Stolen Auto Also Recovered.

Police arrested three colored men during an attempt to force open a gasoline pump with the intention of stealing gasoline at a filling station at Main St. and Jasper Ave. Saturday morning about 3:30 o'clock.

The trio registered as Elwood Gordon, 21, Springfield; Remus Jackson, 21, and George Carter, 21, both of Chicago, Ill., but were recently living in Dayton.

They are expected to be arraigned before Mayor John W. Prugh Saturday on grand larceny charges since an automobile found in their possession was identified as having been stolen shortly before from Arthur Neatherton, 614 N. Gallo Way St.

The auto, a sedan, was stolen from in front of the residence sometime after 3 o'clock. Patrolmen Charles Thompson, J. E. Craig and Charles Robinson, making their rounds in the police car, came upon the three alleged thieves as they were attempting to break open the gasoline pump in front of the station.

A sedan, owned by Fred Haller, Dayton Ave., stolen from in front of St. Brigid Catholic Church while Mrs. Haller was attending church services early Friday night, was recovered by police Saturday morning after being found abandoned on the Dayton-Xenia Pike at Trebeins. The gasoline tank was empty and the thieves are believed to have left the car when it ran out of gas.

Police think it is doubtful whether the theft of this machine can be connected with the three negroes now in custody. The men told police they had only arrived in Xenia early Saturday morning.

AL SMITH ENTERS
CALIFORNIA RACE

SACRAMENTO, Cal., March 10.—Governor Al Smith of New York today is an accredited candidate in the primary race for California's delegation to the Democratic national convention in Houston. Official endorsement of his candidacy was filed by his California representatives with Frank C. Jordan, secretary of state for California when nominating petitions signed by more than the required number of voters were submitted.

ATTORNEY ATTACKS AUTHORITY OF OHIO HEALTH OFFICIALS

Challenges Right To Order
New Sewage Plant
At Bucyrus

COLUMBUS, O., March 10.—Dr. John E. Monger, state health director, and other members of the Ohio public health council today awaited a ruling from Attorney General Edward C. Turner as to whether the state health authorities possess any legal right to give further consideration to the Bucyrus sewage disposal situation.

No sooner had the public health council opened a public hearing here late yesterday relative to its order, issued some months ago, requiring the city of Bucyrus to install a sewage disposal plant, than City Solicitor James W. Miller, of Bucyrus, challenged the jurisdiction of the health director and other members of the council to take action in the Bucyrus case. Miller asked that the case be dismissed.

Miller's challenge was based upon claims that the original petition, purporting to contain the names of fifty Crawford County voters, was invalid because some of the signers were Wyandot County residents and only twelve of the petitioners were qualified voters at the Crawford County elections held in November, 1926. Miller also argued that the resolution adopted by the Crawford County health board relative to the sewage situation at Bucyrus was "incompetent."

"Donahay will be nominated at Houston on the fourth ballot after a deadlock between two other candidates," Wharton predicted. He contended that there was no provision in Ohio laws for such action.

Upon the admission by a number of the petitioners, who attended the hearing, that their petition, which was filed with the state health department in July, 1926, contained the signatures of a number of Wyandot County residents, the public health council indefinitely postponed the Bucyrus case for the purpose of asking the attorney general for a ruling as to whether the contentions of City Solicitor Miller were correct.

Before the hearing adjourned, a number of the original petitioners informed the council that, if the petition was held invalid, they would promptly present a new one which, they predicted, would contain "more than a sufficient number of valid signatures."

NORRIS-WHITE RESOLUTION TO
END "LAME DUCKS" DEFEATED

WASHINGTON, March 10.—With legislatures.

The vote climaxed a fight which has been waged since 1923 to amend the constitution to abolish the short session of congress in even-numbered years in which members who had been defeated at the polls still serve.

To abolish this session it was necessary to change the date of presidential inauguration. The Norris-White measures before the house sent congress into session on January 4 and made the date of presidential inauguration on January 20.

After passing the senate almost

unanimously, the measure got 209

votes in the house to 157 against it, or thirty-five votes shy of the two-thirds necessary to submit a constitutional amendment to state

legislatures.

—In jail today because she could not pay a \$100 fine, Mrs. Charles Woodside, former circus lion tamer and mother of sixteen-year-old Lorene Jones, repented whipping her daughter with a clothes hanger.

In a filled city auditorium last night a dramatic police court trial was held. Women fainted, many tears were shed, prayers were offered and hundreds of persons on the outside clamored to get in.

Lorene, who last week failed to

DOCTOR MUST DIE

CHICAGO, March 10.—Dr. Amante Rogetti must die in the electric chair for performing an illegal operation on a nineteen year old girl and then through willful negligence permitting her and her baby to die, was the sentence pronounced by Judge Frank Comerford. Date of the execution was set for Friday, April 13.

WHARTON PREDICTS SELECTION OF VIC

Independent Artists Have
Dizzy Display At
Waldorf

OAKHARBOR, O., March 10.—Vic Donahay for Democratic nominee for the presidency, was the possibility being discussed in Ottawa today, following the prediction made here last night by C. E. Wharton, Kenton, head of the National Federation of Farm Clubs.

"Donahay will be nominated at Houston on the fourth ballot after a deadlock between two other candidates," Wharton predicted. He was speaking at a meeting of the Ottawa County Tax League.

ALIEN PROPERTY BILL BECOMES LAW

WASHINGTON, March 10.—President Coolidge today signed the alien property bill.

The measure thus becomes law. It will restore to German owners millions of dollars worth of property seized during war time, and settle millions of dollars worth of claims of Americans who suffered damages at German hands prior to our entry into the war.

It is a dizzy, fantastic display,

ranging from the sublime to the ridiculous. "Anything and everything goes." There is no critical

jury to reject and select. Any artist who releases six dollars may have two pictures shown. It is reminiscent of amateur night at a theater.

The eye is immediately arrested by a painting entitled "The Gin-Hic Kid." A pair of shapeless feminine legs cocked up on a table, upon which rests a large bottle labeled "gin" and an ash tray containing cigarette butts. A white hand holds a long-stemmed glass and a smoking cigarette.

There is a suspicious looking fluid in the glass. A \$20 bill peers from the young woman's stocking.

"Death pictures" assail the eye on all sides. One archaic canvas

portrays a dead man hanging from a lamp post. Another pictures the execution of Sacco and Vanzetti.

They are shown shuffling down a long, dark corridor with the figure of Christ hovering over them, a priest following, a prayer book in hand, and sisters kneeling in prayer in the foreground.

NEAR CENTENARIAN ATTEMPTS SUICIDE

TOLEDO, O., March 10.—Frank Pastar, 97, is in a critical condition in a hospital here today, with three self-inflicted knife stabs in his abdomen. Pastar, according to police, attempted suicide, after his wife and daughter-in-law had fled when he threatened to attack them. Mrs. Pastar is 93.

Capture

COLUMBUS, O., March 10.—Leonard L. Whitfield, 37, Cleveland, O., who escaped from Ohio Penitentiary where he was serving a life sentence for the murder of Dennis Griffin, a Cleveland policeman, at 2 a. m. today, was recaptured this morning at the home of Oren Hill, a penitentiary guard, in this city, who is alleged to have concealed the prisoner after aiding him to escape.

Whitfield escaped from a dormitory where 250 woolen mill workers were under guard of three men, and after changing his prison clothes for civilian garb, made a rope ladder of his bed clothes, and dropped over the penitentiary walls.

Hill, said to be a new guard and who has been on night duty inside the dormitory for the last five or six weeks, is said to have seen the man change his clothes.

The guard was seen by Warden Thomas to take a bundle into the penitentiary last night and becoming suspicious after the escape of Whitfield, sent his secretary, Daniel Bonzo, and a city detective to Hill's home.

The officers were met at the door by Hill's wife, who admitted there was a strange man in an upstairs room.

Breaking into a room, the officers discovered Whitfield in civilian clothes. He flourished a butcher knife but raised his hands above his head apparently in token of surrender as the officers entered.

As the fugitive suddenly lowered the hand in which the knife was held, both officers emptied their revolvers into his body. One bullet entered through the side and another penetrated the abdomen.

He was being operated on today and although still alive early this afternoon, is not expected to live.

Hill is being held at the city police station. He will be charged with aiding and abetting a prisoner to escape. Under the state law, if Hill is found guilty, he will be subject to the maximum of the sentence given the prisoner he aided in escaping, which in this case is life imprisonment.

Whitfield's escape was not discovered until after 6 a. m. today, after the night guards had reported off duty. The discovery was made when one of the turret guards noticed the rope ladder dangling from the outside of the fall.

Whitfield entered the penitentiary August 9, 1923, after a search that extended over five states. He killed Griffin while the latter was taking him to jail after arresting him on a theft charge.

MANY WILL ATTEND WANAMAKER RITES

PHILADELPHIA, March 10.—Prominent men and women from all parts of the nation will come here Monday afternoon to attend the funeral services for Rodman Wanamaker, head of the Wanamaker stores who died at his Atlantic City home yesterday after being stricken with pneumonia.

The service will start at 2 p. m. in St. Mark's Protestant Episcopal Church here. A special train will bring employees and executives of the Wanamaker store in New York for the funeral services.

Philadelphia city officials and prominent business and social leaders will attend the services.

The Wanamaker stores will be kept closed until after the funeral.

CHILD DIES FROM INHALING FUMES

CLEVELAND, March 10.—Albert Greenberg, 4, died today, the result of inhaling smoke and gas fumes after being trapped in the blazing basement of his home here last night.

Battalion Chief William Cermack and seven firemen fought their way through clouds of smoke and gas fumes to rescue the boy after fire, believed due to an overheated furnace, broke out in the Greenberg home. Immediate resuscitation attempts proved futile and the lad was removed to a hospital where he died this morning.

B. L. E. HEAD DIES

COLUMBUS, O., March 10.—Harry R. Kars, 62, general chairman of the B. L. E. of the Pennsylvania Railroad system, is dead here today, following a month's illness. Until twelve years ago he was a passenger on the Indianapolis division of the Pennsylvania.

AUTO HITS BOY; SKULL FRACTURED

"Prophet" Lags In "Bunion Derby"

WITH LOS ANGELES-NEW YORK RACERS, BAGDAD, Cal., March 10.—"Prophet" Jonas Israel, who styles himself the "Lord's errant" in the C. C. Pyle coast-to-coast marathon, fell behind the runners today as he observed his Sabbath at this oasis in the Great American Desert.

"Brother John," as Israel has named himself, hale, hearty and 52 years old, has added to his sack cloth raiment a pair of arctics for his ordinarily bare feet for protection against blistering sands.

Tourets tossed nine dollars to me from their cars as they passed me on Wednesday. On Thursday all I got from passing tourists was ninety cents. I ask no alms, but never spurn a gift.

"I have taken neither food nor drink since Wednesday night," Israel said this morning. "And I will continue my fast until nightfall Saturday. In spite of the hardships of the desert, I am supported and given strength. I may fall behind the runners for a time, but will catch up with them again and again, and finally come into glory in New York."

"Tourets tossed nine dollars to me from their cars as they passed me on Wednesday. On Thursday all I got from passing tourists was ninety cents. I ask no alms, but never spurn a gift.

"They always had to let me go," he added, "because I convinced my keepers that their minds were

equally distorted as mine."

Israel is but one of a number of eccentric characters in the Pyle race. Nobody takes them seriously, most of them being added starters and it is no surprise when they gradually drop out of the running.

As the correspondent turned to leave Israel, the self-styled prophet called after him:

"Take the well-wishes of the prophet with you, brother."

The "prophet" then raised an ordinary fish horn to his lips and blew a sharp blast that floated out clear and startling across the arid plain.

FILM BEAUTY GOES TO THE ALTAR

Mary Astor, one of the prettiest girls in motion pictures, becomes the bride of Kenneth Hawks, film supervisor, at the home of Mary's parents, Mr. and Mrs. Otto Langhanke, in Los Angeles. The couple are now on a honeymoon trip to New York, Florida and Cuba.

FATHER AND TWO SONS BURNED FATALLY; THIRD SON INJURED

PHILADELPHIA, March 10.—A father, 11, and Angelo, 7, Harry, the father and his two sons were burned, a third son jumped to the ground when the flames trapped him in a rear bedroom on the second floor. He was taken to a hospital suffering from burns and injuries sustained in the leap.

The dead are: Lorenzo Cambria, 35, a grocer, and his two sons. Sal-

Miller's challenge was based upon claims that the original petition, purporting to contain the names of fifty Crawford County voters, was invalid because some of the signers were Wyandotte County residents and only twelve of the petitioners were qualified voters at the Crawford County elections held in November, 1926. Miller, also, argued that the resolution adopted by the Crawford County health board relative to the sewage situation at Bucyrus was "incompetent."

He contended that there was no provision in Ohio laws for such action in the Bucyrus case. Miller asked that the case be dismissed.

He contended that there was no provision in Ohio laws for such action in the Bucyrus case. Miller asked that the case be dismissed.

Miller's challenge was based upon claims that the original petition, purporting to contain the names of fifty Crawford County voters, was invalid because some of the signers were Wyandotte County residents and only twelve of the petitioners were qualified voters at the Crawford County elections held in November, 1926. Miller, also, argued that the resolution adopted by the Crawford County health board relative to the sewage situation at Bucyrus was "incompetent."

THINK TOLEDO ZOO WILL RANK AMONG FIRST IN AMERICA

TOLEDO, O., March 10.—Walbridge Park zoo will rank first in America in equipment and second in the completeness of its animal display when the summer season opens, Percy C. Jones, president of the zoo board of control has announced.

The Toledo zoo will be exceeded in animal display only by the Bronx zoo in New York, Jones reports.

The \$110,000 bond issue passed in 1927 will finance the purchase of thirty-six acres of land west of Walbridge Park as an addition to the grounds already held. The issue is to be sold early in March.

Another issue, for \$100,000, submitted recently, has been deferred because the park purchase bonds will use up the small bond issuing power which the city has this year in 1928, Jones explains.

The \$150,000 issue, if passed, will provide \$70,000 for new bear dens and \$10,000 for similar pits for foxes and wolves. Denver and St. Louis are said to be the only cities in America having this type of bear and wolf pits.

Bearless bear dens will be constructed along lines followed in the Hagenbeck wild game preserve in Germany. As nearly as possible to natural surroundings, the animals will be provided, even to hibernating caves and shelters.

The herbivora house under construction will be completed by April 1. The quarters will house the giraffes, elands, hartebeests and like animals. A new pair of giraffes will arrive here early in May to make their home in the new Jones' says.

With the carnivores and herbivora houses completed, future buildings proposed are a house for small mammals, a primate and racine house, an aquarium and a bird house. The old primate and monkey house now is being torn down.

Announcement recently was made that a monkey house where the simians will find unchaperoned by bars and cages, will be constructed at an early date.

Probably the most unique of buildings scheduled for the new program will be a complete bakery for the preparation of special foods for the various animal classes.

The bakery will be a model of efficiency and planning. Practical ovens, mixers and other modern apparatus for turning out needed food articles for the animals have been included in the plans.

Total expenditures for 1928, including the proposed \$100,000 bond issue, will amount to nearly \$300,000 according to board of control estimates. Of this less than ten per cent will be used for purposes other than buildings.

GARFIELD WOULD BE HONORED AT ORANGE OHIO BIRTH PLACE

CLEVELAND, O., March 10.—A shrine is contemplated at the birthplace of the United States President James Abram Garfield, located at Orange, Ohio near here which is now unmarked, save by a dingy sign on a tree planted by the martyred president.

Scores of interested persons have promised their support in erecting a fitting memorial to the twentieth president of the United States on the site of the cabin in which he was born, surrounded by the trees planted by Garfield near a spring from which "James Garfield" tooted water for his mother." Rev. L. L. Wood, one of the persons interested in the Garfield Shrine's erection, owns this historical property which consists of four acres.

Garfield was pastor of the Franklin Circle Church of Christ here before the Civil War and was elected president of the United States while he was yet president of Hiram College.

"Garfield's contribution as an educator and Christian to the life of Western Reserve is frequently overlooked in consideration of his work as a soldier and a statesman," George C. Hansen, president of the Cleveland Disciples Union declared.

The Western Reserve Historical Society, several prominent pastors, the Metropolitan Park Board and other organizations and clubs promised to bring the matter before their governing boards as soon as possible, for immediate action to erect the long neglected Garfield memorial.

Rev. Forte, Pastor

Morning worship at 10:45. Preaching by pastor. As this is rally day all members are urged to be present. S. S. at 12:30. Archie Newsome, Supt. Teachers and scholars all interested in the work and a ready welcome for all new scholars each Sabbath, 3:30 p. m. Dr. A. L. Fisher will deliver a special rally day sermon. All mem-

STOPS COUGHS QUICKLY
"I was bothered with a persistent cough and found no other remedy so good and so quickly relieving as Foley's Honey and Tar Compound," says E. Boggess, Pomona, Calif. One-half ounce of hard bronchial coughs, lingering "flu" coughs, instantly stopped. It combines the curative influence of pure pine tar and the modifying demands of a fresh air, how, with other healing ingredients. A boon to those who suffer from troublesome, noisy coughs. Ask for Foley's Honey and Tar Compound. Sold everywhere. —Adv.

bers and friends are invited to be present. C. E. and night service with the union at Middle Run Church. Come out all day and worship with us.

Prayer services were well attended, as usual Wednesday night. After a season of prayer and praise Rev. Morley gave a forceful sermon on "The Man of God." We are trying to work up to a great spiritual uplift beginning April 15 when Miss Edith Randolph will be with us to wage war against sin.

The Lent a Hand Circle met Tuesday with Mrs. Parthena Baker. Among other things we arranged for a St. Patrick's Day social for Saturday, March 17, a chicken pie lunch and a green lunch will be served. Games and music throughout the evening. The play "Daughters of Liberty" will go to Jamestown Boss Chapel Church on the 15th to render their play for the choir who gave such a grand can-

ta in January.

ZION BAPTIST CHURCH

THIRD BAPTIST CHURCH
A. McClinton Howe, Pastor

Sabbath School will convene at the usual hour, 9:30 a. m. Come and spend an hour with us in the study of the word of God. A cordial welcome awaits you. Bring a friend with you.

Mr. D. T. Murray, a graduate of the college department some years ago, now practicing law in Columbus, was in the community Monday, looking after legal business.

Mrs. Clarence Calman, matron of Mitchell Hall, entertained the ladies of the Royal Twelve at the residence of Dr. and Mrs. Harry Lackey Saturday evening.

Mrs. Alexander Bricker, the librarian of the school, motored to Indianapolis, Ind., Saturday evening and spent the Sunday with her husband, who is now in charge

7:45 p. m. worship and sermon. A message for all.

Madame Braxton, the wonder basso singer and her well trained group of singers, accompanied by her talented pianist, will give one of her famous entertainments at the Third Baptist Church, Tuesday evening, March 13. Admission free. As a lady basso, Mrs. Braxton is in a class by herself. Do not miss this rare treat.

Keep in mind the coming of the Reed program on the fourth Lord's Day in March, at the Third Baptist Church.

APOSTOLIC FAITH CHURCH
39 Taylor Street
Elder S. Kirby, Pastor

We are inviting you to attend our week's revival beginning Sunday evening, March 11. Monday evening, March 12 we are expecting a good speaker, Sister E. Day of Springfield, O., to be with us until March 18.

STOMACH UPSET

Get at the real cause. That's what thousands of stomach sufferers are doing now. Instead of taking tonics, or trying to patch up a poor digestion, they are attacking the *real* cause of the ailment—clogged liver and disordered bowels.

Dr. Edwards' Olive Tablets arouse the liver in a soothing, healing way. When the liver and bowels are performing their natural functions, away goes indigestion and stomach trouble.

Have you a bad taste, coated tongue, poor appetite, a lazy, don't-care feeling, no ambition or energy, trouble with undigested foods? Take Olive Tablets, the substitute for calomel.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. Know them by their olive color. They do the work without griping, cramps or pain. All Druggists.

Take one or two at bedtime for quick relief. Eat what you like. 15¢, 30¢, 60¢.

**An Old-fashioned
CHALLENGE to Combat**

Time and again, Zenith has published this unwavering challenge to the world of radio:

"Under identical circumstances and conditions, and taking our various models in their proper grade, we challenge any make of radio receiver to equal or surpass Zenith performance in quality or quantity of tone; selectivity; sensitivity; distance; ease of operation; precision of manufacture and general all around performance."

The challenge stands today as it has stood from the beginning—so long as Zenith makes radio it will be the best radio.

Zenith is the only radio set that McMillan would take to the Arctic. Zenith is the holder of the world's long distance record—Japan to New Jersey.

ZENITH
LONG DISTANCE RADIO

16 Models—3 different circuits—6, 8 and 10 Tubes—Loop antenna or antennaless, Battery or Electric—\$100 to \$2500.

Zenith has been first in most of the important developments in radio—25 original mechanical and electrical achievements that have revolutionized radio. That is why Zenith is the most logical choice in radio.

THE

FINE CAR

OF LOW PRICE

**The
New**

Oldsmobile

Style in abundance in this new and larger Oldsmobile. Vigorous lines, low lying grace, color, give it a pronounced personality together with a full measure of utility, comfort and economy—make it emphatically the fine car of low price.

The Body by Fisher with wide doors and distinctive panel moldings; the radiator with rounded shell; the hood with narrow saddle boldly hand in contrasting color; the handsome, broad bar bumpers in rubber cushioned mountings—all are newly designed—all are part of the irresistible grace and charm of this car.

You enjoy in it spirited, six-cylinder, high compression performance, from any standard grade of fuel; full 55 horsepower, smooth, quiet, responsive; acceleration from 5 to 25 miles an hour in 8 1/2 seconds with steady, stageless pick-up like an electric motor. You sense the superb riding ease of a chassis silenced at eight points, fully equipped with four hydraulic shock absorbers, scientifically balanced for the road.

Oldsmobile's high compression performance is positive and dependable because it is not a matter of fuel selection or of super-charging in driving, but is engineered and built into the vital chassis units. The combustion chambers are a new type with special wall contour to eliminate pre-ignition knocks. The crankshaft is mounted in four wide main bearings for maximum smoothness. The connecting rods are slightly offset in the pistons for greater efficiency and smoothness. There is insulation against shock at engine mountings—in the clutch—in the universal joints. The graceful Fisher body reveals in its beauty and stability the work of the artist-engineer. Strength and resiliency result from its composite construction in which steel reinforces wood and wood reinforces steel. And the whole is balanced—checked and rechecked, tested, proved by more than a million miles of driving.

Drive it. Test for yourself its riding smoothness—it's handling ease—it's high compression performance.

You will agree with the critics that here is a car two years ahead—agree that you can buy a bigger car but not a better car.

Mr. William A. Sykes, director of the School of Music, has accepted position as organist at the Palace Theatre on W. Fifth St., in Dayton. Captain Orestus J. Kincaid, one of the instructors in the Military Science and Tactics of the school, and who has lived at the residence of Mrs. Cowan, has rented the residence of Mr. Cyrus Turner on Clifton Road. He and Mrs. Kincaid will be glad to have their many friends call on them at their new residence.

The general faculty of the University held its monthly meeting, Tuesday night. The spring examinations are set for the 15th, 16th and 17th. The spring vacation starts Thursday, April 5 and will close on the 8th.

Mrs. George Valentine gave a birthday party at her residence, Tuesday afternoon in honor of Mrs. Marie Steele. The honored guest was not quite sure of her exact age, so the guests report. Those present were: Mrs. Charles Smith, Mrs. Lightfoot, Mrs. Walker, Mrs. W. A. Anderson, Mrs. Thomas Perkins, Mrs. George Woodson and Mrs. Bruce Green.

President G. H. Jones left Tuesday night for Chicago to deliver an address before the Chautauqua Educational meeting held by Bishop Rally for Wilberforce University.

The general committee which had charge of the Founders' Day Rally for Wilberforce University, held a meeting last week and made its final report to the president of the university. The committee reported total amount raised, \$217.75. The several groups submitted reports as follows: Girls' Camp, Miss Jane Moss, captain, \$594.03; boys' group, Mr. N. R. Bundt, captain, \$275.45; extension group, Mrs. Ada Young, captain, \$101.12; Busy Bees, Mrs. A. J. White, captain, \$222.50; literary societies, Miss Robinson, captain, \$20.00; seminary, Rev. H. H. Summers, captain, \$25.00; Supt. R. C. Bundy, personal donation, \$25.00; concert, Prof. Sykes, \$62.50; commercial department, Prof. C. S. Smith, \$98.20; Mr. Carl Jenkins, solicitation, \$60.00; Pres. G. H. Jones, solicitations \$111.67; George Valentine, solicitations, \$125.00; miscellaneous donations, \$98.57.

Mrs. William H. Carter, the wife of the general treasurer of Tuskegee Institute, Ala., arrived Monday to spend several weeks with her daughter, Miss Roberta, who is a student in the school of commerce.

Mrs. Carl Jenkins, after spending several weeks with her sister in Youngstown, Ohio, returned home Sunday.

The young ladies serving as assistant ushers in Trinity A. M. E. Church appeared in new "smokers" Sunday morning. They were supplied by the stewardess board of the church.

The Neighborhood Club met at the residence of Mrs. B. Simpkins on Clifton Road, Monday evening. They had as their guests the stewards of the church. The two bodies discussed problems for the betterment of the community and de-

rived.

BELLBROOK GIRL IS MARRIED HERE SATURDAY.

Miss Kathryn Gibson, daughter of Mr. and Mrs. Harry E. Gibson, Bellbrook was united in marriage with Mr. James Miller, son of Mr. and Mrs. Martin Miller, Campbellsburg, Ky., Saturday morning at 11:30 o'clock at the United Brethren parsonage, this city. The Rev. A. J. Furstenberger officiated at the single ring ceremony.

The bride was attired in a frock of lavender with tan accessories. Mr. and Mrs. Gibson, parents of the bride, witnessed the ceremony.

Mr. and Mrs. Miller will reside in Dayton, where Mr. Miller is employed at the State Hospital. Mrs. Miller has been employed at a box factory in that city.

W. R. C. CARD PARTY FRIDAY IS A SUCCESS.

A success both financially and socially, was the card party entertained by the Woman's Relief Corps at Post Hall, Friday afternoon.

Fifteen tables were engaged and bridge, five hundred and twelve were in play. A high score favor was given at each table. A delightful refreshment course followed.

The hostess committee included Mrs. Joanne Findley, Mrs. W. P. McKay and Mrs. W. C. Horner.

Mr. and Mrs. Wayne Jeffries (Elizabeth Tobin) of near Wilmington, are announcing the birth of a son, Thursday. Mrs. Jeffries was formerly a teacher at McKinley School.

Mrs. Frank Land, Newark, O., underwent a delicate operation at the McClellan Hospital, Wednesday morning, and is now at the home of her parents, Mr. and Mrs. Howard Norris, Hill St., where she is recovering nicely. Her son, Norris Brown, is with her.

Ladies Aid Society, Trinity M. E. Church, will hold the regular all-day meeting, Tuesday. The second division, C and with Mrs. Charles Davis, chairman, will be in charge.

Mrs. Ernest Dutton, who is a patient at Miami Valley Hospital, at Dayton, recovering from an operation, is doing nicely and will be removed to her home in a few days.

Gleaners' Class, First M. E. Church, will be entertained at the home of Miss Clara Marshall, 425 W. Second St., Monday evening, March 12. All members are invited.

Alpha Theta Chapter, Delta Theta Tau Sorority, will meet for the regular business session Monday evening at 7:30 at Miss Ethel Highley's home. Members are urged to attend.

Paul Weaver, son of Mr. and Mrs. Lewis Weaver, 501 S. Detroit St., is confined to his home with mumps.

Mrs. Alfred H. Thiessen entertained with a luncheon and bridge at the Officers' Club, Wilbur Wright Field, Friday.

The next dance being arranged for the members of the military set at the Officers' Club, Wilbur Wright Field, will be given March 17. Mrs. Charles W. O'Connor will entertain with dinner preceding the dance.

Mrs. A. C. Messenger, state chairman of international relations and national defense, was the guest of the board of the Daughters of the American Revolution, last Monday at the Dayton Woman's Club. She gave a talk on national defense.

Fire Chief William Hanifan is confined to his home on E. Main St., with a severe cold.

Mr. William Reed, Clifton, is critically ill with heart trouble and is not expected to live.

Radio Revue
BY C.KAY

NEW YORK, March 10.—Will radio ever totally replace wired telephony and telegraphy? The question was put to an official of the American Telephone and Telegraph company. His answer, given with guarded, scientific exactitude, was:

"We cannot anticipate what the future will bring, but at present wireless is considerably dependent upon wires for success, and I say this without endeavoring to be paradoxical. National broadcasting hookups are accomplished by means of long-distance land wires, of course. Wireless telephony between this country and Europe would be impractical if the network of wires provided by the A. T. and T., and by the British post-office system, were not at its disposal. This latter combination between the radio and the older method of telephony illuminates the need of a universal unity of the two types of communication."

Development of the beam radio and its use across the Atlantic has caused conjecture as to what the future of the cable companies will be when this form of radio is put into commercial use on a large scale. Some experts are of the stated opinion that transoceanic beam radio will require wire connections on land and also cable auxiliaries for use when the elusive radio messages fade. Michael Pupin, one of the foremost electrical inventors, sees no reason to believe that a remedy against fading by beam and other short wave radio systems will be achieved in the immediate future.

Incidentally, a co-ordinate system of wired and radio telegraph covering the globe is Prof. Pupin's vision of the perfect communication system of the future.

The Mackay Radio company is installing radio stations along the route of the Commercial Cable company, and also has applied for permission to supplement its (the Postal Telegraph's) wire system in the United States with short-wave radio circuits. This is one example of how radio and wired communication systems may be combined.

It is pointed out that wired communication has advanced along with radio, for the advance in wireless is due to scientific developments in the operating devices at the receiving and sending ends and these developments obviously are applicable to all devices employed in electrical communication.

At this time it appears that combination of radio and wired communication is preferable to either of them alone.

BROTHER OF XENIAN DIES IN ENGLAND

W. Crawford Craig, vice president and general manager of the Hooven and Allison Co., has received word of the death of his eldest brother, Robert Craig, of Hough Green, Lancashire, England, February 22. He had been in ill health some time.

He leaves a widow and three children.

A LEMON-SUCKER TEASE

BERLIN, Germany.—Franklin Schorma, a professional dancer, lost her job as an entertainer at a cabaret, all because she persisted in playing a practical joke on a saxophonist. She managed to catch the player's eye and then inserting half a lemon into her mouth, would go through the motion of sucking it. The result proved disastrous for the musician, who instinctively imagined the taste of the acid fruit and found himself unable to go on playing the saxophone.

The sergeant turned away and immediately put his squad in motion. After they had advanced a dozen yards or so he bawled out at the top of his lungs, "Squad, halt! Whoa, Casey!"

The sergeant turned away and immediately put his squad in motion. After they had advanced a dozen yards or so he bawled out at the top of his lungs, "Squad, halt! Whoa, Casey!"

The sergeant turned away and immediately put his squad in motion. After they had advanced a dozen yards or so he bawled out at the top of his lungs, "Squad, halt! Whoa, Casey!"

Thus we go an army marching With eager ears,

Each hoping, listening for the Heavenly music

He never hears.

And the only difference from the Love in Heaven

And the Love on Earth below Is here we Love and know not how to tell it

And there we shall know.

I Have Said in My Heart
By IDAH McGLONE GIBSON
QUEER OBSESSIONS

lable unless we can contrive an answer that will hurt more.

Whenever he is away from home he is courtesy itself with the strangers he meets and not a day passes that he does not telephone, telegraph or write a letter to his wife that might not be one from a lover to his sweetheart.

This man is full of sentiment but he is so afraid to show it, that he is brutal in his sarcastic treatment of those he loves the best.

* * *

Memo:

Thus we go an army marching With eager ears,

Each hoping, listening for the Heavenly music

He never hears.

And the only difference from the Love in Heaven

And the Love on Earth below Is here we Love and know not how to tell it

And there we shall know.

Heals Eczema
In 7 Days or Less
OR YOUR MONEY BACK

Here is a surgeon's wonderful prescription now dispensed by pharmacists at trifling cost, that will do more towards helping you get rid of unsightly spots and skin diseases than anything you've ever used.

Not only does this great healing antiseptic oil promote rapid and healthy healing in open sores and wounds, but boils, abscesses and ulcers that are discharging are almost immediately relieved and cleanly healed.

In skin diseases its action is little less than magical. The itching of eczema is instantly stopped; the eruptions dry up and scale off in a few days. The same is true of barber's itch, salt rheum and other irritating and unsightly skin troubles.

You can obtain Moone's Emerald Oil in the original bottle at any modern drug store. It is safe to use, and failure in any of the ailments noted above is next to impossible. Sayre's Drug Store can supply you at any time. —Adv.

INTRODUCING—

KENNETH MAXWELL ENDS LIFE WITH SHOT GUN AT HOME HERE

Young High School Graduate Gives No Reason For Suicide—Apparently In Good Spirits Before Ending Life In Upstairs Room.

Kenneth Maxwell, 21, son of Mr. and Mrs. W. P. Maxwell, 111 Stetson Road, shot himself through the head, dying instantly, at his home Saturday afternoon about 1:30 o'clock.

No reason for the boy's act is known. He had gone to his room after luncheon and a short time later his sister, Mary and his mother heard a shot and the sound of a falling body. The lad had used a shot gun and the charge shattered his head. He was dead when found.

Dr. F. M. Chambliss was called and examined the body. The shot entered the left cheek and came out the top of his head.

The boy had left no note and had

given no hint of contemplating such an act. He was employed at the Xenia Shoe Manufacturing Co. and had remained home several evenings recently, which was unusual, members of his family say. He did not seem morose, and his relatives did not know of a love affair or any worries that he may have harbored. He had been painting an upstairs room before he went into an adjoining room, leaned over the shot gun and pressed the trigger.

Kenneth graduated from Central High School with the class of 1924. Besides his parents, two sisters, Mary and Catherine, and one brother, Archer, all at home, survive.

I Have Said in My Heart

By IDA MCGLOONE GIBSON
QUEER OBSESSIONS

Why are we so economical of our good nature and even common politeness in our every day life with those we love?

It is quite the fashion nowadays to be ashamed of sentiment.

Although our younger intelligentia started this "hard-boiled" epidemic, chiefly to call attention to themselves as citing something new, they did not realize that they were only reiterating a theory that all men and women are born sinners. The only thing new about their exploitation is that they give the impression of wanting to be as crude in their speech as possible.

Lately however it can be noticed that the pendulum of human behavior is moving the other way. But it seems to take a long while for many people to learn to be even kind to those who are nearest to them.

Personally, I would rather any one of those whom I meet every day would be overly sentimental than overly critical and I think almost everyone else is of the same mind.

This was illustrated the other day in the case of a man whom I know loves his wife devotedly and yet she is perhaps one of the most unhappy women in this common place world.

This man is a wonderful provider and as far as material things are concerned goes sometimes beyond his means, but he contrives to make his wife perfectly miserable by telling her how much he is sacrificing while doing it. He has a most stubborn and morose disposition and when in one of his queer moods will only speak to him faintly.

He not only criticizes his wife but her friends, and when they go out together he makes himself so disagreeable that they only invite him because they love her so much.

And yet—and this is the tragedy of the whole thing—this man can be wonderfully entertaining, more than kindly and especially good company if he wishes.

He has taught himself to seldom smile and when he answers a question it is usually with a monosyllabic

Radio Revue
BY C.KAY

NEW YORK, March 10.—Will radio ever totally replace wired telephony and telegraphy? The question was put to an official of the American Telephone and Telegraph company. His answer, given with guarded, scientific exactitude, was:

"We cannot anticipate what the future will bring, but at present wireless is considerably dependent upon wires for success, and I say this without endeavoring to be paradoxical. National broadcasting hookups are accomplished by means of long-distance land wires, of course. Wireless telephony between this country and Europe would be impractical if the network of wires provided by the A. T. and T., and by the British post-office system, were not at its disposal. This latter combination between the radio and the older method of telephony illuminates the need of universal unity of the two types of communication."

Development of the beam radio and its use across the Atlantic has caused conjecture as to what the future of the cable companies will be when this form of radio is put into commercial use on a large scale. Some experts are of the stated opinion that transoceanic beam radio will require wire connections on land and also cable auxiliaries to be used when the elusive radio messages fail. Michael Pupin, one of the foremost electrical inventors, sees no reason to believe that a remedy against fading by beam and other short wave radio systems will be achieved in the immediate future.

At this time it appears that combination of radio and wired communication is preferable to either of them alone.

BROTHER OF XENIAN DIES IN ENGLAND

Poems that Live
SONG

Who has robbed the ocean cave,
To tinge thy lips with coral hue?

Who from India's distant wave
For these those pearly treasures drew?

Who from yonder orient sky
Stole the morning of thine eye?

A thousand charms, thy form to deck,
From sea, and earth, and air are torn;

Roses bloom upon thy cheek,
On thy breath their fragrance borne

Guard thy bosom from the fly,

Best thy snows should melt away.

But one charm remains behind,
Which mute earth can ne'er impart;

Nor in ocean wilt thou find,
Nor in the circling air, a heart.

Fairest! wouldst thou perfect be?

Take, oh, take that heart from me.

—John Shaw (1559-1625)

W. Crawford Craig, vice president and general manager of the Hooven and Allison Co., has resigned and her place has been filled by Mr. Marvin R. Shaw. Miss Marcella has been assistant treasurer two years and before holding that office was cashier of the company. Mr. Shaw has been connected with the company several years.

Mr. Francis Orr has been spending several days in Indiana on business for the Hooven and Allison Co.

The Misses Audrey and Susanna Guyton, W. Church St., will spend the week end with Dr. and Mrs. W. A. Klein, Logansport, Ind.

NEWEST SERGEANT STORY

An Irish drill sergeant was instructing some recruits in the mysteries of marching movements, and found great difficulty in getting a countryman of his to halt when the command was given. After explaining and illustrating several times, he approached the recruit, sized him up silently for a couple of minutes, and then demanded of him name.

"Casey, sir," was the reply.

"Well, Casey, did ye ever drive a mule?"

"Yis, sor."

"What did you say when you wanted him to stop?"

"Whoa."

The sergeant turned away and immediately put his squad in motion. After they had advanced a dozen yards or so he bawled out at the top of his lungs, "Squad, halt! Whoa, Casey!"

The sergeant turned away and immediately put his squad in motion. After they had advanced a dozen yards or so he bawled out at the top of his lungs, "Squad, halt! Whoa, Casey!"

Mr. William Reed, Clifton, is critically ill with heart trouble and is not expected to live.

BIBLE THOUGHT FOR TODAY

THE CAUSE FOR PRAISE—Praise ye the Lord. Praise God in his sanctuary; Praise him in the firmament of his power. Praise him for his mighty acts; praise him according to his excellent greatness.—Psalm 150:1, 2.

FEAR OF AMERICA

The sixth Pan-American Conference, just closed, has completely dispelled any fear that the Latin-American countries are organized, tacitly or otherwise, to oppose the interests of the United States, in the opinion of William Hard, noted publicist.

Not only did no organized hostility to the United States develop, Mr. Hard points out in analyzing the conference proceedings in the Review of Reviews, but countries which had been considered particularly hostile before the conference were found to be in agreement with us on major questions, and in opposition only where their legitimate national interests dictated.

Granting that there exists among the smaller nations a natural fear of the assumption of despotic power by the greatest American state, Mr. Hard nevertheless asserts: "There is no such thing as Spanish-American solidarity, because Spanish-speaking statesmen are far too sensible to embark on any invasion or negation of their own interests in order to gratify any remote dislike for the United States."

Citing examples, he points to the move of Argentina to impel the Pan-American Union to oppose "so-called exaggerated tariffs" in international trade in the western hemisphere. This demand was obviously directed against the United States, he shows, and still the other Latin nations, almost as a body, rose to oppose the Argentinian proposal.

On the other hand, when Salvador proposed that no American country should limit immigration from any other American country, Argentina was among the foremost to side with the United States in opposition to the movement.

As a third instance, when it came to deciding whether the Pan-American Union should be entrusted with so-called political powers for intervening in international disputes, the vote was 12 to 6, with the United States voting in the majority and with all three of our supposedly pet enemies in the conference, Argentina, Salvador and Mexico. Voting according to their own interests or their own theories, they found themselves on the same side as we.

TIME TO START "DOING TIME"

Harry F. Sinclair now has another jail sentence hanging over him. For six years Harry Sinclair has had various dire penalties "hanging over him" and in the meantime has been as free and untrammeled as an April zephyr. The public is getting somewhat tired of this business of appeals from court to court—that game of legal tennis which enables a rich offender to stay outside the bars.

When are Fall and Sinclair going to do their time?

The Way of the World

By GROVE PATTERSON

GOING GOOD

Don't worry about California. Recent figures show the state sent to market about 7,000 more carloads of citrus fruits last season than at the time of the previous high record. Of course many lines of business—principally manufacturing—are very much more developed in the middle west than they are on the Pacific coast. There are years in which the real estate business is not so good in California. And we sometimes get tired of hearing how big Los Angeles is. But don't worry about California. There are plenty of people making plenty of money, and the folks out there are still the champion boosters of the world.

BEGINNING RIGHT

More than 700 communities now conduct week day religious education. Students are released at periods from the regular schools for this purpose. Leaders in the International Council of Religious Education, recently meeting in Chicago, got down to bed rock. It was agreed that "the problem of so many of the evils of the day can be solved by the systematic and modern religious instructions of children and youth."

Only the most thoughtless and the most intolerance are likely to oppose some sort of religious education, worked out between the churches and the schools.

INITIATIVE

Progress demands nothing so much as initiative—the power to start something and the power of adaptation to changing conditions. Down in the Virgin Islands in the West Indies, now owned by the United States, this writer heard the old residents complain that prohibition had ruined their country. The growing of sugar cane for the manufacture of rum had long been the principal industry. But here is a country of almost perfect climate, fertile soil, and full of opportunity for development. Because the rum business was gone the easy going inhabitants sat down and wept.

The same soil and the same sun and the same brains can always bring back the same kind of prosperity that seems to have gone forever.

LIBERTY AND THE CAVE

Strange that we have not learned that human improvement and civilization and such happiness as the race has attained is the product of restraint and self control. There is much talk these days about freedom and personal liberty to do exactly as one pleases. That sort of liberty once existed in this world—and the people who were here to enjoy it lived in caves, ate raw meat, and ambushed each other with stone hatchets. They had this boasted liberty.

It was only when man began to give up his liberty that he began to build a civilization which gave him a life that was worth living.

There is probably more ignorant talk about "personal liberty" than about any other one subject.

The Daybook

OF A

New Yorker

—By BURTON RASCOE

New York, March 10.—Along with all my neighbors in the suburbs, who occasionally like to remain in town to dine and dance or go to the theater, I am offering up a special prayer of thanksgiving to the management of a new hotel that is to be erected in the upper Thirties. This hotel, it is announced, will feature "a suburban accommodations section," where rooms may be got by the hour, "to provide suitable facilities for dressing for dinner, meeting friends, or for a short rest between the end of a business day and evening engagements."

New Yorkers carry this dressing for dinner idea too far, anyway. It is a strain upon us commuters to lug a suitcase into town in the morning and then to dress in the office after the other members of the staff have gone home. Especially since the washstand in our office has no hot water faucet and is not near a light, so that one can see whether one's tie is straight.

A story, probably apocryphal, is going the rounds about the opening night of "Strange Interludes." That is the O'Neill opus that begins at five in the afternoon, gives the audience an hour off for dinner at 7:30 and continues until 11:45. The question arose among those who wish to be socially correct as to whether one should defy the rule which prohibits evening dress before six or to defy the rule which prohibits day dress at an opening night.

It is said that on the opening night Horace Liveright was among those who arrived at the theater at five in full evening dress, whereas Otto H. Kahn showed up in cutaway. When the audience reassembled after dinner, Liveright, so the story goes, had changed to a cutaway, whereas Kahn had changed to full evening dress.

There is a handball court in Fifteenth street near the fashionable St. Bartholomew's church. Here the boys from the nearby public school disport themselves and, of course, the game overflows into the street. Every time the north and south traffic line is permitted to dash forward, and the east and west lines are held in check, the youngsters perform with enthusiasm in the street. And as soon as the cop's whistle blows they dash back into the court again. On the safety islands in Park avenue, hundreds of young men and boys, employed in buildings adjacent, play catch during the noon hour. Their agility in receiving balls from under the wheels of automobiles is astonishing and terrifying to watch.

Harry Harshfield, the cartoonist, started a Broadway column in a New York daily the other day. Asked if his stuff would clash with the dramatic department, Harry said it wouldn't. "The dramatic column," announces that Miss Bella La Vere has been fired from the Ziegfeld Follies—and I tell why she has been fired."

WHEN ECONOMY IS TABOO

When collars of dark material to match one's shirt are occasionally in style, it might be expected that they would be especially popular in a town such as Pittsburgh, where they would save laundry bills. But a haberdasher from that city tells me that he can't sell dark shirts of any kind to the more exclusive trade. His customers are too fearful that he may think or that their friends may think that dark shirts or dark collars are worn for purposes of economy.

If you knew that you carried every bitter, vengeful feeling, every untruth, every thought of malice on your face, you'd guard your subconscious mind zealously, wouldn't you? You'd shut away all but the good, the cheerful and the pleasant. And five years from now it wouldn't matter a bit what the shape of your nose was, or the color of eyes, or the size of your mouth. You'd live within you,

Years ago, women's skirts were built to drag in the dust. The practice was based on the notion that the wear and tear on a skirt as it dragged over the sidewalk showed an opulent disregard for expense and that such frank disregard had prestige value. But the style was so unsanitary that even its expensiveness probably could not make it fashion again.

Short skirts always prove a boon to manufacturers of shoes and stockings. Every time fashion has taken an inch from the length of skirts, shoes and stockings have become just that much more conspicuous, and women have felt the need of having these articles correspondingly more expensive.

A shoe manufacturer was once quoted as saying that two inches added to skirts would cost the shoe manufacturers of the United States fully two millions a year.

But that statement would have to be modified in these days of scant skirts. It would require more than two inches on the bottom of a present-day skirt to hide footware—unless a woman goes in for hip-length wading boots.

THE IDES OF MARCH

How to Achieve Beauty

By MME. HELENA RUBINSTEIN

Wrong Right Ways
to Exercise
EXPRESSION

Posture and expression comprise the two purely physical attributes of good personal conduct, but expression goes deeper than the surface indications might lead one to believe. Your whole body may be an expression of ease, poise, comfort and gracefulness. If it isn't, should he? However, let us begin with the face, although I do want to impress upon you again the fact that you are beautiful only insofar as each component part of you is beautiful. The face cannot bear the laurels of beauty alone.

Your most expressive feature is your mouth. It was a wise and observant man who said "God gave us our features, but we make our mouths ourselves." Watch your mouth in the name of beauty! Tight lips are the significant of uncertain temperament—a lovely thing in woman. Drooping mouths are suggestive of melancholy, whining and dissatisfaction. A straight lined lower lip denotes selfishness. Gracious curves, uplifted corners, overly little laugh dimples show a sunny, lovable, even disposition.

If you knew that you carried every bitter, vengeful feeling, every untruth, every thought of malice on your face, you'd guard your subconscious mind zealously, wouldn't you? You'd shut away all but the good, the cheerful and the pleasant. And five years from now it wouldn't matter a bit what the shape of your nose was, or the color of eyes, or the size of your mouth. You'd live within you,

I'll give you a resume, F., of what a standard book on the eyes says of Cataracts.

Cataracts is any clouding of the eye lens or of its capsule or both. There are two main types: primary and secondary. These are subdivided into hard and soft, fluid, complete, partial, etc.

According to the causes, cataracts are: 1, congenital, due to faulty development or to the prenatal inflammation of the eye; 2, senile (this is the most common form); 3, hereditary; 4, cataract due to general diseases—diabetes and nephritis are the most common; 5, occupation—glass blowers and others exposed to great heat; 6, injury; 7, other eye diseases, such as ulcers.

The senile type, the most frequent form of cataract, usually comes after the 50th year. Most always both eyes are affected, but usually one eye in advance of the other. Senile cataract is not normal, but is always a disease process, age being a predisposing factor.

Treatment: I have seen something in a recent medical journal on the treatment of cataract by injections of certain substances which may cause them to become dissolved, but this is still more or less in the experimental stage. You might ask your eye specialist about this.

Cooling the white of the egg until it is jelly-like such as in cold eggs, apparently renders it more digestible. Rose and McLean found that if the raw white of an egg is beaten, it is well digested.

There are some people who are sensitized to eggs, especially the egg white; that is, they have what is known as an idiosyncrasy to

MENU HINT

It is going to be too warm for pork by and by, so we will use it while the air is still brisk. Spare-rib pie is new to me, so, perhaps, it will be to some of the readers of this column. Squaw hash in another new dish. The menu is for a whole day. I see by the papers that Vitamin F has just been discovered. It is present principally in liver and lettuce, and is essential to normal animal growth.

BREAKFAST
Orange Juice
Bacon French Toast, Syrup
Coffee or Cocoa

LUNCHEON
Squaw Hash Celery
Pickled Pears
Whole Wheat Bread Jam
Cookies Milk

DINNER
Spare-rib Pie
Buttered Wax Beans
Vegetable Salad Jellied
Chocolate Prune Gelatin
Graham Crackers Tea or Coffee
Today's Recipes

Squaw Hash—Fry eight slices of bacon, cut fine. Pour off the fat if there is too much. Then add two cans of corn and one green pepper, washed, seeded and finely chopped. Add salt if necessary, and cook until brown, stirring often to prevent burning.

Spare-rib Pie—Wash and cut two pounds of spare-rib in pieces, put in kettle with one quart of water, two medium-size onions cut in pieces. Add salt and pepper to taste. Let meat be nearly cooked, add four medium-size potatoes quartered. Let this cook while you make a crust of one quart of flour, four teaspoons of baking powder, one teaspoon salt and one tablespoon butter. Add one-half pint milk.

Mix and roll out one-half inch thick. Spread and pour into a baking dish, cover with crust and bake in oven for about 30 minutes.

Chocolate Prune Gelatin—To

one package of prepared chocolate gelatin add one pint boiling water.

Let cool, and when ready to eat add one cup of stewed and stoned prunes cut in small pieces. Serve with whipped cream. This dessert can be made early in the day.

Eggs With Mushrooms
(Mrs. Mary Morton's Daily Tested Recipe)

One cup mushrooms, five eggs, two tablespoons butter, four table-spoons cream or milk, salt. Saute mushrooms in butter, add eggs well beaten, and cream, season with salt and paprika. Stir until eggs are cooked. To be cooked in chafing dish or grill.

them—they seem not only to be digestible but will bring out unfavorable symptoms.

If you find that the eggs taken raw seem to agree with you, E., then they probably are all right for you.

It is an individual question. I suggest you send for our article on Balanced Diet, E. See directions for obtaining it.

Tomorrow: Worms.

NOTE:—Please send ten cents in COIN and fully addressed stamped envelope with orders for pamphlets on reducing and gaining.

Behind the Scenes in Washington

By CHARLES P. STEWART

WASHINGTON, Mar. 10.— Senator Borah will be wise to keep out of dark alleys for a while.

Quite a few politicians feel a lot like laying for him, in a good and gloomy one, and slugging him, for that presidential wet-and-dry questionnaire of his.

Senator Willis, to be sure, didn't mind being quizzed. He's "so damnably dry"—as I once heard Representative Jim Begg, a dry himself, express it—that everybody already knew how he stood.

Neither was Senator Curtis, hailing from Kansas, divulging much of a secret when he owned that he, too, belongs in the dry column.

However, most public men consider the subject one that's far better left to the voters' imaginations. This view isn't confined to presidential aspirants. Nearly all political experts hold to the preference of their own personal preferences.

Secretary Hoover, it must have been noticed, wasn't as cordial with his answer to Borah, as either Senator Willis or Senator Curtis.

He lined up with the drys all right, but he was free to imply that he regarded the query as something of a liberty—which he only overlooked, he intimated, because he has such a high opinion of the Idaho senator.

Hoover isn't one of these statesmen who is drier than the weather. He thinks it's funny.

What makes the pussycat particularly sore is that they don't believe the out-and-outs are so bold because of any superiority in real courage, but simply because they happen to know on which side their political bread's buttered—they come from parts of the country they're sure of, one way or the other.

The Democratic candidates have been lucky up to date. Nobody's thought to question them yet.

BIBLE THOUGHT FOR TODAY

THE CAUSE FOR PRAISE—Praise ye the Lord. Praise God in his sanctuary: Praise him in the firmament of his power. Praise him for his mighty acts: praise him according to his excellent greatness.—Psalm 150:1, 2.

FEAR OF AMERICA

The sixth Pan-American Conference, just closed, has completely dispelled any fear that the Latin-American countries are organized, tacitly or otherwise, to oppose the interests of the United States, in the opinion of William Hard, noted publicist.

Not only did no organized hostility to the United States develop, Mr. Hard points out in analyzing the conference proceedings in the Review of Reviews, but countries which had been considered particularly hostile before the conference were found to be in agreement with us on major questions, and in opposition only where their legitimate national interests dictated.

Granting that there exists among the smaller nations a natural fear of the assumption of despotic power by the greatest American state, Mr. Hard nevertheless asserts: "There is no such thing as Spanish-American solidarity, because Spanish-speaking statesmen are far too sensible to embark on any invasion or negation of their own interests in order to gratify any remote dislike for the United States."

Citing examples, he points to the move of Argentina to impel the Pan-American Union to oppose "so-called exaggerated tariffs" in international trade in the western hemisphere. This demand was obviously directed against the United States, he shows, and still the other Latin nations, almost as a body, rose to oppose the Argentinian proposal.

On the other hand, when Salvador proposed that no American country should limit immigration from any other American country, Argentina was among the foremost to side with the United States in opposition to the movement.

As a third instance, when it came to deciding whether the Pan-American Union should be entrusted with so-called political powers for intervening in international disputes, the vote was 12 to 6, with the United States voting in the majority and with all three of our supposedly per enemies in the conference, Argentina, Salvador and Mexico. Voting according to their own interests or their own theories, they found themselves on the same side as we.

Central Beats Miamisburg; Bath Defeated

Xenia Earns Opportunity To Meet Stivers In Semi-Finals

Kolb's Cagers Not In Top Form But Lead Burgers All the Way—Springfield And Steele Also Survive Their Games

By PHIL FRAME

Although failing to display much of its latent form, Xenia Central High School advanced to the semi-finals in the Class A division of the Southwestern Ohio regional basketball tourney at Dayton at the expense of Miamisburg, 36 to 21 Friday night.

Xenia outscored the Burgers in every quarter but the play of both teams fell somewhat short of their usual standards. Both teams played strictly defensive games in the opening half.

Taking the lead in the first minute of play on a short heave by Doak, the Blue and White quintet was never headed although Miamisburg threatened for a time at the beginning of the last half and drew up within three points of Coach Kolb's protégés.

Xenia started out in its customary manner, exhibiting a flashy offense that found the Burgers trailing 9 to 2 at the end of the first period. Points were few and far between in the second session and at the half-way post, Central was ahead 13 to 4.

Miamisburg registered only one basket in the opening half, missing many shots. Miamisburg scored six straight points as the second half opened and brought the score to 13 to 10, but Xenia then drew away and was leading 27 to 15 when the third quarter ended.

Xenia lost Captain Clemans and Smittle on personal fouls in the last quarter but the battle proceeded undiminished and the last quarter was featured by some accurate basket-shooting by Morton, who played in only two quarters of the contest due to an infected foot that apparently gave him some trouble.

Xenia opened the scoring on a short shot by Doak. Libbee turned in a foul. Morton re-entered the contest as forward and celebrated his entry immediately with a "sucker" shot. Heistand added one point to his team's total on a free throw, but Morton came back with another "bunny." Manuel made a foul and L. Jackson a basket from mid-floor.

Morton increased Xenia's total with a pretty shot from near the foul line and then duplicated with another. Heistand sank a basket as the contest closed.

Doak inaugurated the last session with a foul. Morton re-entered the contest as forward and celebrated his entry immediately with a "sucker" shot. Heistand added one point to his team's total on a free throw, but Morton came back with another "bunny." Manuel made a foul and L. Jackson a basket from mid-floor.

The contest was slow and uninteresting. L. Porter, center, was high-scorer of the contest with fourteen points. Chism, also of the winning team, scored eleven points. Groner topped Bath with eight points while Hall and Honaker each made six. Hall played an especially brilliant game.

Rushsylvania met West Carrollton, champions of Montgomery County, in the semi-finals at 3 p.m. Saturday. In the other semi-final round, Lawrenceville met Tippecanoe City at 1 p.m. The score:

GREENE COUNTIANS FORCED FROM CLASS B BY RUSHSYLVANIA

Osborn Weakened By Early Game Loses Tilt 37 to 20

Exhausted by its grueling game in the morning, the plucky Bath Twp. High School basketball team proved an easy victim and was eliminated by Rushsylvania 37 to 20 in the third round of the Class B division of the Southwestern Ohio regional basketball tournament at Dayton Friday night.

Bath was the last survivor of the original three Greene County representatives in the Class B race and progressed farther than Bellbrook and Xenia East, which were eliminated in the first round.

Bath had won a hard-fought encounter by one point from New Paris, of Jefferson Twp., Darke County, Friday morning. The score was 31 to 30 and Osborn fought a game uphill battle after trailing 27 to 16 at the end of the third period.

The strain proved too much and Rushsylvania took an easy victory. The Bath-Rushsylvania contest was the last on the Friday tourney program.

The contest was slow and uninteresting. L. Porter, center, was high-scorer of the contest with fourteen points. Chism, also of the winning team, scored eleven points. Groner topped Bath with eight points while Hall and Honaker each made six. Hall played an especially brilliant game.

Rushsylvania met West Carrollton, champions of Montgomery County, in the semi-finals at 3 p.m. Saturday. In the other semi-final round, Lawrenceville met Tippecanoe City at 1 p.m. The score:

Bath Twp. (20) G. F. P.

Sports Done Brown

By NORMAN E. BROWN

Staff Writer for Central Press and The Gazette

SOMEWHERE SOUTH, March 10.—One of the most familiar figures of minor league baseball is ready to start his twenty-fourth year in the game—at the same old stand. That is umpiring.

That man is Ollie Anderson, signed for another year on the umpiring staff of the South Atlantic league.

Anderson broke into the game as an umpire in 1905 in the Northern league. Since that time he has umpired ball games from Winnipeg Canada to Galveston, Texas, and from New York to San Francisco.

He has called balls and strikes in the Pacific Coast league, the American association, the Western league, Texas, New York State, and then of recent years the South Atlantic. He also served as arbiter in the Federal league during its short but hectic existence.

The first ten years of his career he umpired "single"—the only official in the game. Then came the double umpire system, which lightened his work.

The first six years he labored so he was the only man to complete the season in his league.

But here is the most marvelous part of his career.

He has not missed a single ball game—or even one-half of a double header—as he puts it.

Getting tired of the game?

Anderson says not. As a matter of fact he has just added new responsibilities to his daily duties. He has broken into the development end of the game by designing new baseball plants for various minor league clubs. His latest effort was that of laying out the new park in the city of Augusta, Ga.

Anderson has kept up with the game. He is now laboring to make the club owners and officials of baseball see the logic of his solution of the much discussed foul-ball problem.

Two or three changes have been made in the rules governing long hits over outfield fences or into grandstands, which start fair and may end in their flight outside an umpire's vision.

Any further attempts of like nature will be met by police intervention, it is announced.

The rule which left it to the

umpire to determine the nature of the hit at the point at which it passed over the fence was found to leave too much room for discussion. Then it was altered to permit the umpire to determine the fairness or foulness at the point at which the ball disappeared from sight. This solution has not proved satisfactory.

Anderson urges the erection of a sixty-foot flag pole at each corner of the field—left field and right field, at the junction of the foul line and the outfield boundary.

These poles would carry a white band on the side facing the home plate. All balls passing inside this pole would be classed as fair hits, and all passing on the foul side, foul hits. Balls striking the poles would be called foul balls.

Anderson urges as the principle merit of this plan the fact that it would at least eliminate all causes for argument and relieve the umpires a hard task.

The height of the poles, at that distance from the plate, would preclude the possibility of balls being hit over the "top" of the foul pole.

JACK SLATTERY PLEASED WITH PROSPECTS FOR BOSTON BRAVES

(Editor's Note: This is the third of a series of articles by Davis J. Walsh, dealing with developments in the training camps of major league ball clubs. Other articles of the series will follow.)

By DAVIS J. WALSH

I. N. S. Sports Editor
ST. PETERSBURG, Fla., March 10.—It was blac time in the old dressing room and a goodly crowd was there; also a goodly aroma and it wasn't sweet spirits of rubbing alcohol. No, no, Arthurbuth: you simply must be more careful. You have the wrong dressing. The one we want is permeated with a faint but intriguing scent of freshly cut violets. Violets for friendship, I think the saying is.

Frankly, the Braves would seem to be no worse than the best of the potential second division clubs and they have at least an outside chance of finishing fourth. Hornsby has done that to them, or most of it, for the club has undergone few changes otherwise.

It will have the same man at first base, Dick Burrus; the same shortstop, Farrell; the same third baseman, Andy High, and virtually the same pitchers. The outfielders, Eddie Brown, Lance Richbourg and Jack Smith, will be operating again, the only departure being expected in the case of Eddie Moore. The Atlanta citizen will be removed from the infield altogether to share left field with Smith, provided he doesn't take the pay away from the latter altogether, which he is likely to do. Moore came up to the Pirates as an outfielder and Slattery thinks somebody muffed one when they didn't keep Edward there.

Burris had a bad year at first base in 1927 but Slattery thinks the young man wasn't sufficiently encouraged or something. Maybe they intend to have a cheer leader follow him around this time, for they expect him to come back like a bad check. High, at third, is a robust hitter but, unfortunately, also a robust fielder. He sometimes can kick them very far. Walter Gantrem is giving contest to Andrew at the position but altogether it is one of two points that the Braves feel none too certain about.

The other is catching. Here Zach Taylor has come back from the Giants to take command but he need help and he may not get too much. The second catcher is Luke Urban, former Boston college athlete. The contest for third man lies between Bill Cronin of Providence and E. B. Williams, of Asheville, with neither favored to date.

Pitching will be a big number at Braves field with Johnny Cooney, Kent, Greenfield, Foster Wards, Joe Genewich, Charley Robertson, Bob Smith and Henry Wertz, of last year's staff again available.

Cooney has a bad arm and it may never be good again but the rest of them are above suspicion.

So it appears, the stormy petrel no longer is on the wing or maybe he was a little humming bird all the time and nobody found it out until he met Jack Slattery. As for the latter, I gained the impression that he will hum with you, if you feel

"I am willing to lay a bet that Hornsby is hustling more than any other star in the game," Slattery said. "I couldn't ask for a better break than I got when he was traded to the Braves. Why he hustles so much that the rest of the club just can't help but follow suit."

"I don't ask what happened in New York or St. Louis. In fact, I don't care. Hornsby is the best man I ever handled. We like each other and will go the limit to prove it. I wouldn't trade him back to the Giants now for half of McGraw's club."

Central Beats Miamisburg; Bath Defeated

Xenia Earns Opportunity To Meet Stivers In Semi-Finals

Kolb's Cagers Not In Top Form But Lead Burgers All The Way—Springfield And Steele Also Survive Their Games

By PHIL FRAME

Although failing to display much of its latent form, Xenia Central High School advanced to the semi-finals in the Class A division of the Southwestern Ohio regional basketball tourney at Dayton at the expense of Miamisburg, 36 to 21 Friday night.

Xenia outscored the Burgers in every quarter but the play of both teams fell somewhat short of their usual standards. Both teams played strictly defensive games in the opening half.

Taking the lead in the first minute of play on a short heave by Doak, the Blue and White quintet was never headed although Miamisburg threatened for a time at the beginning of the last half and drew up within three points of Coach Kolb's protege.

Xenia started out in its customary manner, exhibiting a flashy offense that found the Burgers trailing 9 to 2 at the end of the first period. Points were few and far between in the second session and at the half-way post, Central was ahead 13 to 4.

Miamisburg registered only one basket in the opening half, missing many shots. Miamisburg scored six straight points as the second half opened and brought the score to 13 to 10, but Xenia then drew away and was leading 27 to 15 when the third quarter ended.

Xenia lost Captain Clemans and Smittle on personal fouls in the last quarter but the battle proceeded undiminished and the last quarter was featured by some accurate basket-shooting by Morton, who played in only two quarters of the contest due to an infected foot that apparently gave him some trouble.

Xenia opened the scoring on a short shot by Doak. Libbee turned in a foul for the opposition. So did Doak, but not for the opposition. Libbee sank a neat basket and Smittle hit the hoop from the sidelines. Manuel made good a foul for the Burgers and Captain Clemans rang up a short shot at the quarter ended.

The scoring in the second period was limited to three baskets, Libbee connecting for the Burgers and Clemans and Doak for Xenia.

Miamisburg caught Xenia off its guard with an unexpected rally to start the last half. Heistand made a foul, Libbee did likewise, L. Jackson and Manuel shot baskets.

Xenia took time out and went into a huddle. Coming out of this formation, the Blue and White took a new lease on life and things in general became more favorable for Central basketeers.

Doak broke the ice with a basket. He had two foul shots and made one. Then Higgins came

CLOWN CIGARETTES TAKE FOURTH PLACE IN MAPLE TOURNAMENT

Springfield Team Fails To Displace Leaders Here

Clown Cigarettes, Springfield bowling team, placed fourth in the five-man division of the bowling tournament at the Recreation Parlors, sponsored by Xenia merchants, with a three-game total of 2,662 Friday.

The Reaper City quintet rolled games of 843, 875 and 944 with Dersch, anchor man, having a series of 596.

Rolling in the doubles and singles, the visiting bowlers failed to dislodge the tourney leaders, although Dersch took fifth place in the all-events standing with total of 1,742 for his nine games.

Dersch rolled 550 in the doubles, 596 in the singles and 596 in the five-man match. He bowed his singles and doubles a week ago.

Results of the match follow:

| | | | |
|--------------------------------|------------|------------|------------|
| Campbell | 189 | 205 | 194 |
| Moler | 176 | 177 | 212 |
| Morey | 169 | 127 | 160 |
| Vorwerck | 160 | 142 | 164 |
| Dersch | 158 | 224 | 214 |
| Totals | 843 | 875 | 944 |

MADISON COUNTY GETS PARTRIDGES

LONDON, O., March 10.—J. H. Umbenhauer, deputy game protector for Madison County, reports the release in this county this week of fifty imported Hungarian partridges by the state fish and game department.

Madison County was selected as the most suitable place in district No. 8 in Ohio for the proper propagation of the partridges. They started to eat before they had traveled more than twenty-five yards from the spot where they were turned out.

Madison County is said to have more Hungarian partridges at the present time than any other county in this section of the state, the birds drifting up from Fayette County where a number were turned out some years ago.

DARLINGTON WILL SPEAK FOR WILLIS

The Ladies' Aid Society met at the home of Mrs. Alvin Conklin at Xenia, Wednesday, March 7th. It was an all day meeting with a covered dish dinner.

Sunday guests of Mr. and Mrs. A. J. Michener were, Mr. and Mrs. Roy Tribby, Mr. and Mrs. George Tribby and daughter, Mr. and Mrs. Lewis Ward, Mr. Milton Hess and daughter Irene, and son Norman, of Dayton, Mrs. Marie Michener, of Cincinnati, spending the weekend end, and Miss Catharine Michener, of Xenia.

Attorney Charles L. Darlington, this city, former past commander of the Ohio department, American Legion, has consented to make a campaign address in support of the candidacy of U. S. Senator Frank B. Willis for president at a meeting at Athens, O., Saturday night, it was announced at Willis' headquarters.

Darlington, it was announced, will talk along with Senator Willis.

"I believe Senator Willis has stood for the principles of government for which the American Legion stands, and that he has been a friend of the ex-service man."

Darlington is quoted as saying in a statement given out at Willis' headquarters.

The Theater

Shivering in the chill of dawn, the "extra" girls of Hollywood, pathetically brave in shaded rouge and lipstick line, pass before the windows of the casting director. Noon comes, and with it sunshine and disillusionment. Choking back their tears, slender backs still proudly erect, trying to smile away their heartaches, the extra girls of Hollywood return to rooms where only beautiful furnishings are dreams.

A newsboy, in whose shrewd little head is knowledge of the value of a steady job, passes the studio gates, views the thinning throng and wanders on, cynically singing "Hollywood Rose." The scene is repeated 365 days in the money.

Twenty Years Ago - '28

With almost 100 delegates present, the mid-year meeting of the executive committee of the W. C. T. U. of Ohio opened in the Second U. P. Church here.

The form of fire escape that will be the best protection to the public school children of the city, is under consideration by the board of education.

The David Gray farm in Beaver Twp., has been given to two Methodist Protestant educational institutions, one located at Kansas City, Mo., and the other at Adrian, Mich.

A Woman's Christian Temperance Union was organized in Xenia among colored women.

Janet Gaynor, rapidly rising movie star, cheerfully admits she lacks what Eleanor Glyn calls "it." But that doesn't make any difference with Janet—she is becoming one of the most popular of the younger screen luminaries.

year, Sundays not excepted. And today Carl Bush, executive secretary of the Hollywood chamber of commerce, sounded once more a warning to movie-struck boys and girls not to come to this studio land of vague promises and bitter regrets.

"Conditions are not different today," said Bush, "than they were two years ago, when we collaborated with prominent motion picture producers in efforts to check so-called 'screen discovery' contests and other propaganda tending to increase the numbers of these movie mad children. At that time a careful check showed that out of the tens of thousands of extras who had at one time or another played small parts in motion pictures, only a few, not exceeding six, in fact, has ever reached the point where they might be called screen players or stars—and most of these had benefited from previous theatrical training. The central casting bureau, which is owned and operated by the larger producers and through which practically all minor actors are engaged has so many thousands of players listed it is not possible to furnish more than one day's work per week for each player, Bush pointed out."

The bureau is not taking any more registrations, but is devoting its entire energies to finding work for those thousands already signed. "Hollywood, unfortunately, supports practically no industries other than the motion picture industry," the chamber of commerce authority continued. "These misguided boys and girls are frequently unable to find work of any kind, and countless tales of hardship and actual suffering reach us continually. Our advice to inexperienced girls invariably is to forget motion pictures as a stepping stone to fame or livelihood unless the girl has ample funds to support herself in Hollywood six months or a year—and even under those conditions the chances of success are so limited as to be practically negligible."

Charlie Ray, motion picture and stage actor, is still getting "the bad breaks." He has been forbidden by the New York State Supreme Court to follow his profession in that state, until he fulfills a contract with Edward F. Gray and

THE GUMPS—All Is Not Gold That Glitters

I'LL TELL THE REVOLVING GLOBE
A DOORMAN'S JOB IS NO CINCH—PEOPLE SEE ME
STANDING OUT THERE LOOKING
HANDSOME AND CAREFREE—
ALL THEY SEE IS PRINCE CHARMING—
NEVER THINKING THAT
GLITTERING UNIFORM MAY
HIDE AN ACHING HEART—

I CAN UNDERSTAND HOW A
KING GETS TIRED OF LIVING UNDER
THE GLARE OF THE PUBLIC
SPOTLIGHT—NO PRIVACY—
JUST A GOLD FISH SWIMMING
AROUND WITH A THOUSAND
EYES WATCHING EVERY TIME
HE COMES UP FOR AIR—
IF IT WERE NOT FOR LITTLE
GOLIATH THEY COULD HANG
THAT UNIFORM ON SOME OTHER
DUMMY—

HERE GOES A
HUMAN PEACOCK
STEPPING OUT TO
EARN A LITTLE
CHICKEN FEED—

By PAUL ROBINSON

ETTA KETT—A Plot Against a Prince

BETTY SAID SHE BET
YOU A DOZEN PAIRS OF
STOCKINGS YOU CAN'T
CATCH THE PRINCE—
WHAT LUCK?

I HAVEN'T
EVEN MET
HIM YET

IF HE ISN'T BLIND
HE'LL BITE THE DUST
AFTER ONE LOOK—

HELL FALL
LIKE A
PONT

THEY SAY HE'S TERRIBLY VAIN OVER
HIS CUTE MOUSTACHE—AND THAT
HE SHOT A BARBER WHO COMBED
IT THE WRONG WAY—SO TO WIN
THE BET I HAVE TO MAKE HIM
SHAVE IT OFF—BETTY SAYS HE
WILL NEVER BE CRAZY
ENOUGH ABOUT ME
TO DO THAT

I CAN'T UNDER-
STAND WHAT MEN
SEE IN HER—I DON'T
THINK SHE'S A BIT
GOOD-LOOKING

SHE'S A
REGULAR
SPIDER—
ALL SHE
NEEDS IS
A WEB,

Even the
best of us
have our
enemies!
You just
can't dance
thru this
crowded
life with-
out stepping
on a toe
here and
there!

Wherever automobiles are driven, the emblem "Body by Fisher" is recognized as a hallmark of quality. Everywhere, it identifies automobiles that are distinguished for their style, beauty and comfort.

The sensational success of the Bigger and Better Chevrolet is largely due to the fact that it brings all these exclusive advantages of Fisher styling and craftsmanship within the reach of everybody, everywhere!

Consider, for instance, the Chevrolet Coach—which carries the lowest price ever placed on an automobile with Body by Fisher. Long, low and racy...finished in smart colors of genuine

Duco...and with its body built of selected hardwood and steel—it offers beauty, comfort and safety characteristic of cars costing hundreds of dollars more!

Come in today and make your own inspection of the Bigger and Better Chevrolet. Note the advanced engineering in every unit! Go for a drive, over roads of your own selection—and experience the full meaning of Chevrolet performance...its power, balance, acceleration and handling ease! Learn as tens of thousands of others have, that here, by every standard of comparison, is the world's most luxurious low-priced automobile!

Gowdy, because of the necessity of going to Cleveland, continued the case until March 12.

Attaches at the Clerk of Courts office have learned that the juror has recovered sufficiently from his illness that he can resume his place in the jury box.

PROPOSE SUNRISE EASTER SERVICE; MINISTERS ACTIVE

A union sun-rise prayer meeting was projected at a recent Xenia Ministerial Association meeting when a committee of women, Mrs. Charles Kelble, Mrs. C. Erwin and Mrs. Lester Ball, called the attention of the association to the growing sentiment in the community for such a service.

After discussion the association appointed a committee to organize all the churches to foster such a service early Easter morning.

The executive committee of the association with representatives of all the churches, will meet soon to confer on plans and site for the service Easter Sunday at sunrise.

MRS. HAROLD DICE SUCCUMBS FRIDAY AFTER OPERATION

Mrs. Bertha May Dice, 29, wife of Harold W. Dice, Dayton, formerly of Xenia, died at the Miami Valley Hospital, Dayton, Friday night at 9:30 o'clock. She underwent an operation Wednesday afternoon for a complication of diseases but her condition was critical from the first.

Mrs. Dice was struck suddenly

and had visited relatives in this city last Sunday. The Dice family

has lived in Dayton two months, residing in Painesville and Lima previous to that time after moving from Xenia.

In many other places the churches have had the support of

have been thirty years of age next month. Her marriage to Mr. Dice took place eleven years ago.

Besides her husband, two children, Marjorie, nine years old and Harold W., Jr., six years, survive with her parents, Mr. and Mrs. Douglas Sheets and the following brothers and sisters: Frank, George, Harry and Everett Sheets, Xenia and Ralph Sheets, Springfield; two sisters, Mrs. Ralph Schardt, Xenia and Miss Bessie Sheets, at home. Another brother, Jessie, died six years ago.

The deceased was a member of the Lutheran Church. The remains were removed to the Sheets home, 43 Bellbrook Ave., where funeral services will be held Monday at 2:30 p.m. Friends may call Sunday afternoon and evening.

all the business men and cities have co-operated in this service in honor of Christ's death on Calvary. The plan heretofore has been to have all the business houses close for all, or part of these hours, and encourage employees to attend the union protestant service, or to the Catholic Church having services.

This has resulted in a fine spirit in the cities where the plan has been followed, according to the committee. Cards will be printed and distributed several days before the time, indicating thereby each place of business which cooperates by closing during these hours on Good Friday.

More definite announcements will be made later.

Apply melted beeswax to repair the cracks that appear in table tops and chairs. Apply on end of knife and press snugly and smoothly into cracks.

UNION GOOD FRIDAY SERVICES PLANNED BY MINISTERS HERE

Dr. W. N. Shank heads a committee to perfect a Good Friday service which will last from 12 to 3 o'clock April 6, and probably will be held at the Presbyterian Church, Market and King Sts. The program will be divided into half hour sessions beginning at 12 noon and continuing until three.

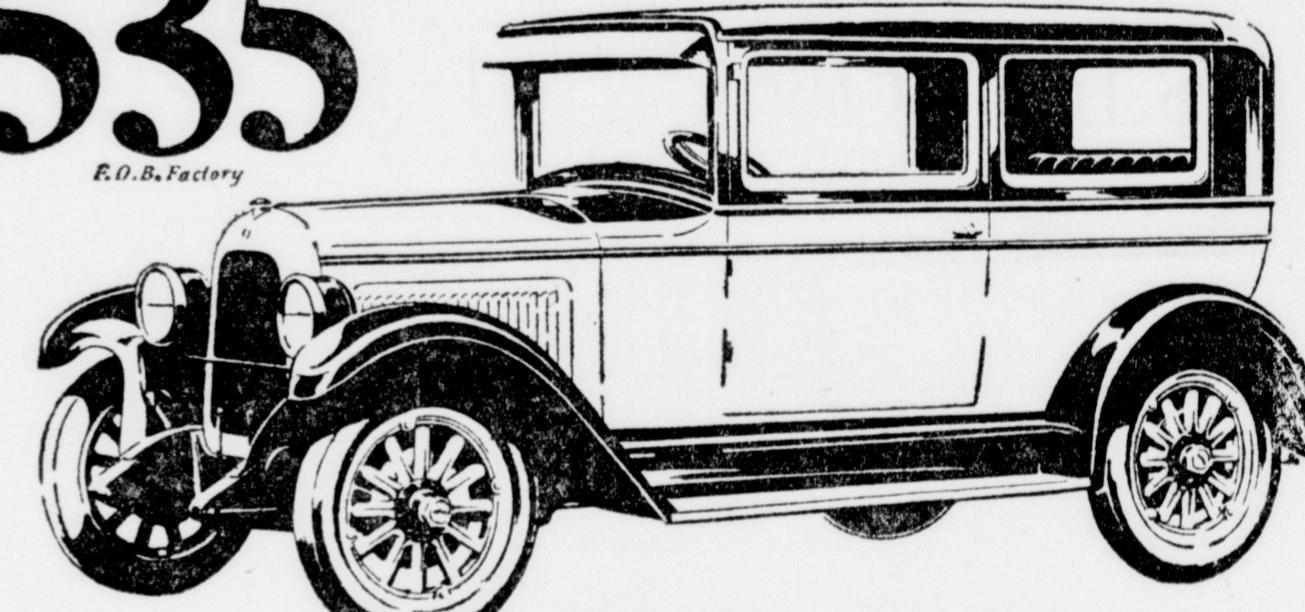

In many other places the

churches have had the support of

The PERFECTED Coach Whippet

\$535
E.O.B. Factory

"The most valuable car ever offered for so little money"

WHEN the first Whippet was produced it was far ahead of competition. And the perfected Whippet is still ahead of the field in modern engineering design. It has a drilled crank-shaft for full force-feed lubrication and silent timing chain as used on the finest custom cars. It has the only light car power plant which actually doubles its rated horsepower.

The Whippet holds the A. A. A. Coast-to-Coast Economy Record with an average of 43.28 miles to a gallon of gasoline. No other car has ever given such a demonstration of economy. It holds, also, many speed, second gear, hill-climbing and other records.

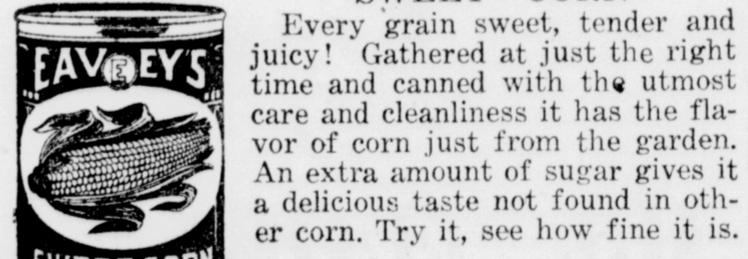

We will gladly demonstrate this amazing car, to suit your own convenience, confident that you will find it the outstanding performer among light cars.

SWEET CORN

Every grain sweet, tender and juicy! Gathered at just the right time and canned with the utmost care and cleanliness it has the flavor of corn just from the garden. An extra amount of sugar gives it a delicious taste not found in other corn. Try it, see how fine it is.

SUGAR PEAS

These tender, fine flavored peas are just the kind the housekeeper delights to serve. They are uniform in size and color and have the rich, fully matured flavor but are not large in size. You never find any hard, tasteless peas in a can of "E" BRAND.

SPINACH

Every crisp, tender young leaf of this spinach has been washed again and again before it is sealed in the cans for cooking and it is as fresh and natural in flavor as if just gathered from the patch. It is always tender, always rich and appetizing.

MANY EXPECTED TO HEAR WOMEN EDUCATORS AT ANTIOTH MEET

Antioco College, Yellow Springs, will host Saturday, March 24 to teachers, superintendents, and members of the Parent-Teacher Associations of Clarke, Greene and Montgomery Counties when Mrs. Beatrice Ensor of London, England, editor of *The New Era*, and chairman of the New Education Fellowship and Mrs. Ethel Peters Simon, extension secretary of the Ohio State Parent-Teacher Association, will be principal speakers.

Following each address informal discussions will be led by Frank D. Shultz of Dayton, F. M. Shelton, superintendent of schools, Springfield; Paul C. Stetson, superintendent of schools, Dayton and H. L. Aultman, superintendent of schools, Greene County.

President Arthur E. Morgan will give an address of welcome opening the conference at 10 o'clock. His subject is "Modern Trends in Education."

Mrs. Ensor will speak on

Gowdy; because of the necessity from all parts of the Miami Valley have been thirty years of age next month. Her marriage to Mr. Dice sought to attend, which resulted in a traffic jam unknown before in that town place eleven years ago.

Attaches at the Clerk of Courts office have learned that the juror has recovered sufficiently from his illness that he can resume his place in the jury box.

COPENHEFER WILL CASE TO BE RESUMED

Judge R. L. Gowdy will return to Xenia from Cleveland, O., for two days next Monday and Tuesday for the purpose of presiding in Common Pleas Court at the resumption of trial of the suit brought to contest the will of Mrs. Sue Copenhefer, late of Osborn.

Judge Gowdy has been presiding on the Cuyahoga County bench under an assignment of Carrington T. Marshall, chief justice of the Ohio Supreme Court. He will return to Cleveland after the hearing of the suit is completed and will be gone until about April 1.

The will suit was interrupted two weeks ago by the illness of a Yellow Springs lawyer and Judge
